

CEOHP Scavenger Hunt

The individuals in these pictures appear on the CEOHP website (ceohp.org) with either a full interview or a practice interview. Several of the interviewees are at the conference. Your challenge during ITICSE 2011 is to find all of the interviewees who are at the conference and have them sign under their picture. The attendee who submits the most signatures by Wednesday at the end of lunch will win a copy of the book *Gender Codes: Why Women are Leaving Computing*. Your responses can be given to either Mary Last or Barbara Boucher Owens. In case of tie, earliest time stamp wins.
