

## Interviewee Biographical Background Form – Private Information

### The Computing Educators Oral History Project (CEOHP)

The private background information collected for your CEOHP interview provides your interviewer with contact information. The private background information will neither be published on the CEOHP web portal nor stored on the Charles Babbage Institute site. It will be kept securely by the project director, Barbara Boucher Owens <owensb@southwestern.edu>.

If it is convenient for you to fill out this form electronically, please feel free to do so. We thank you for your help in making the content complete!!
